

ESPERANCE CIVIC CENTRE

VENUE TECHNICAL SPECIFICATIONS

Version – April 2025

Demographic Information

The Shire of Esperance is located on Western Australia's southeast coast about 725 kilometres from Perth by road. Covering more than 42,000 square kilometres, the Shire of Esperance extends from Munglinup to Israelite Bay and north to the Daniel rail siding. With a population of 13,883 (2021), the Shire has one of the lowest population densities to be found anywhere. It is a rapidly developing tourist destination famous for its pristine beaches, bays and islands.

The Esperance Region comprises some of the most spectacular landscapes in Western Australia. It includes more than 400km of coastline ranging from the gently undulating bays and picturesque islands of the Recherche Archipelago to the spectacular cliffs of the Great Australian Bight.

The environment and agricultural aspects of the Shire of Esperance are a significant part of its heritage, values and identity. The National Parks, Ramsar wetlands and dramatic coastline provide a number of recreational and tourism opportunities. The network of small towns, such as Condongup, Salmon Gums, Grass Patch, Gibson and Cascade are the backbone of our agriculture industry.

The town of Esperance has long been a sustainable community. It has not suffered the devastating fluctuations in populations other regional towns have experienced as a result of the significant shifts in industry and agriculture, nor has it had the same degree of urban drift.

The natural beauty of Esperance, its climate, isolation and lifestyle continue to attract people to the town and encourage them to stay.

About the Venue

Opened in 1981, the Esperance Civic Centre provides the focal point of entertainment in the south-east of Western Australia.

The community facility is regularly favoured for concerts, drama, dance and music productions, conventions large and small, graduation ceremonies, meetings and more.

As the premier entertainment and multi-function complex for Shire of Esperance, the Civic Centre continues to be a valuable asset for the Esperance and wider community.

The Esperance Civic Centre features;

- **The Main Theatre:** 499 capacity seating generously tiered to provide superb uninterrupted views of the stage. The auditorium can be converted to 4 flat floor tiers providing cabaret style seating for events.
- **The Reception Room:** Theatre-style seating capacity of 200 guests.
The room can be divided (curtains) into two spaces: carpeted and parquet floor area.
Small kitchen. Bar/Kiosk.
- **The Foyer:** 150-person capacity, complete with kiosk/bar area.
- **Commercial Kitchen:** 2 ovens, warmer, bain-marie, dishwasher.
